MESSAGE FROM THE PRINCIPAL

A Message for Our Little Stars

A warm welcome back to all our little Jaipurians! July brought our school back to life — from honouring our doctors and savouring mangoes together, to the colourful energy of Red Colour Day, the heartfelt gratitude of Guru Purnima, and a month full of friendship and celebration, our children dived straight back into learning, celebrating and creating. As we head into Periodic Assessment I, I encourage every child to bring the same joy and curiosity to their books that they brought to their celebrations this month. Here's to a wonderful year ahead!
